Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The references cited on attached form PTO/SB/08A and PTO/SB/08B are being called to the attention of the Examiner. Copies of references AC-AE and AH-AK are enclosed. Copies of references AA, AB, AF and AG are not enclosed since they were cited in the International Search Report and/or the International Preliminary Report on Patentability issued in the corresponding PCT application, and, as such, should have been provided directly by WIPO under the exchange program between the USPTO, the EPO and the JPO. A copy of the International Search Report and the International Preliminary Report on Patentability are enclosed.

References AA, AB and AG are not in the English Language. Reference AA (JP 8-103280) is categorized as an "A" document on the enclosed International Search Report. References AB (JP 2003-337131) and AG (Kikuchi *et al.*) are each cited as both "P" and "X" documents on the International Search Report. References AB and AG are also cited on the International Preliminary Report on Patentability.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicant believes that no fee is required for submission of this statement. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430.
